

## Annual Report of E-Content Committee

Academic Year: 2024–25

### **Activity Details**

During the academic year 2024–25, the E-Content Committee developed a dedicated e-content website for the college to facilitate the delivery of digital learning materials to students.

E-Content Website Link:

<https://sites.google.com/view/e-contentrkt>

Faculty members of various departments were invited to contribute e-content for uploading on the website. E-content received from the following departments was reviewed and uploaded:

Department of English, Department of Chemistry, Department of Botany, Department of Zoology and Department of Commerce

The uploaded materials include syllabus-based study notes, presentations, motivational podcasts for students, social media academic videos and reference resources for student use.

To enhance academic exposure and provide access to national-level learning resources, links to reputed open educational and digital learning platforms were also published on the website. These include:

- SWAYAM
- e-PG Pathshala (INFLIBNET)
- National Digital Library of India (NDLI)
- SWAYAM PRABHA
- NPTEL
- Consortium for Educational Communication (CEC)
- Vidyamitra (INFLIBNET)
- Selected educational social media and podcast learning resources
- ONOS ( One Nation One Subscription)

### **Conclusion**

The establishment of the e-content website and integration of departmental and national academic resources during 2024–25 strengthened the digital learning infrastructure of the institution. The initiative aligns with NAAC quality benchmarks for ICT integration and student support services. (Submitted by Dr Barkha Rautela, coordinator of the committee)
